ART TO THE AVENUE 2018 A TWENTY FIRST YEAR TRADITION

Art to the Avenue, the Greenwich Arts Council's annual spring celebration, turns downtown Greenwich into a strolling art gallery which brings works of art to store windows throughout the month of May.

The festival opens each year on the first Thursday in May with entertainers performing all through the downtown streets, and with many locations hosting special receptions for the artists and the public.

Founded in 1973, the **Greenwich Arts Council** is a 501© (3) non-profit membership organization formed to promote the visual, performing and literary arts in our community by encouraging artists and building audiences for the arts.

At its facilities in the Old Town Hall Building, 299 Greenwich Avenue, GAC manages the Greenwich Arts Center, where it serves as an umbrella organization to provide space for six other major arts and cultural organizations in Greenwich. It also presents a full roster of programs including an annual schedule of exhibitions in its Bendheim Gallery, public arts festivals, outreach arts education in the public schools, lectures, performances and workshops among others.
