## Art to the Avenue 2013 A Sixteen Year Tradition

**Art to the Avenue**, the Greenwich Arts Council's annual spring celebration, turns downtown Greenwich into a strolling art gallery which brings works of art to store windows throughout the month of May. **Art to the Avenue** also includes many "Off Avenue" locations that extend the reach of these exhibitions.

The festival opens each year on the first Thursday in May with entertainers performing all through the downtown streets and with most locations hosting special receptions for the artists and the public.

ALL ART IS FOR SALE

To Purchase contact GAC at 203.862.6750

### The Greenwich Arts Council Mission

Founded in 1973, the Greenwich Arts Council is a 501© (3) non-profit membership organization formed to promote the visual, performing and literary arts in our community by encouraging artists and building audiences for the arts.

At its facilities in the Old Town Hall Building, 299 Greenwich Avenue, **GAC** manages the Greenwich Arts Center, where it serves as an umbrella organization for six major arts and cultural organizations in Greenwich providing them with low cost administrative, studio and performance spaces. It also presents a full roster of programs in its own right including an annual schedule of exhibitions in its Bendheim Gallery, public arts festivals, outreach arts education in the public schools, lectures and workshops among others. For current information about these programs, or to become a member, go to our website [www.greenwicharts.org](http://www.greenwicharts.org)
